EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. P. Caudle, esq., on 2/19/2004.

The application has been amended as follows:

Cancel claims 23 and 24.

Claims 23 and 24 are cancelled since they were presented after the first office action on the merits, and should have been withdrawn from consideration as non-elected by original presentation.

Response to Applicants' amendment

2. All previous objections and rejections have been overcome by Applicant's amendment and clarifications and the said objections and rejections are withdrawn. It is noticed, that claim 1 is currently amended, however the status of this claim in Applicant's amendment is listed as "Original". During a telephone conversation Applicant's representative, Ms. P. Caudle, esq., has informed that the listed status of claim 1 is a typo and the proper status is ---Currently Amended---.

Allowable Claims

3. Claims 1, 2, 4-13, 15-22 are allowable over the prior art of record.

Reasons for Allowance

4. The following is an examiner's statement of reasons for allowance:

Allowable subject matter has been indicated in the previous Office Action, dated 06/20/2003. Applicant has amended claims 1 and 13 to include the step of "heating electrically conductive partition plate" into the sequence of cleaning steps, which is not anticipated or suggested by prior art references. Claims 8 and 9, previously withdrawn from consideration, are rejoined, examined and found allowable.

No other prior art that anticipates or suggests fairly the instant claims has been located as of the date of this office action. Therefore, claims 1, 2, 4-13, 15-22 are allowed over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Kornakov whose telephone number is (571) 272-1303. The examiner can normally be reached on 9:00am - 5:30pm.
